## R-Series Notebooks

Look for  
Intel  
Inside®

### Explore the world in stunning high-definition.

If you're all about playing high-definition games and movies in style, meet the R-Series notebooks from Samsung. Featuring a glass-like finish over deep black (R620, R519) or Touch of Color rose-black gradation (R610), they're stunning to behold. Inside, integrated graphics provide incredible HD performance and multimedia capabilities. Large hard drives give you room for all your favorite HD videos. And you'll see them all in brilliant color on a large 16" (R620, R610) or 15.6" (R519) widescreen LCD display. Rich HD Audio adds to your premium experience, and a webcam lets you communicate with your online gaming opponents.

Samsung notebooks. Passion for perfection.

### Features:

**Sleek Thin and Light Design**  
Sleek, thin and light design with gloss-black (R620, R519) or glossy rose-black gradation (R610) finish provides reliability, added ergonomics and premium styling.

**Touch of Color™**  
Turn your notebook PC into a beautiful accessory with Samsung's Touch of Color™ design (R610). Its polished, glossy black design and red gradation highlights add style wherever you go.

**Intel® Centrino® Processor Technology**  
The R-Series features Intel Centrino processor technology, delivering unrivaled system performance, enhanced energy efficiency and advanced connectivity to keep you working, longer.

**Simple Data Sharing**  
With a host of advanced connectivity tools, including a 3-in-1 memory card reader, 4 x USB 2.0 ports, an HDMI/VGA port and Bluetooth 2.0 + EDR, you can seamlessly move data from your digital camera, camcorder, MP3 player or PDA straight to the notebook.

**Dedicated Graphics**  
With 512MB of dedicated graphics memory and the nVidia GeForce 9200M GS (R610), ATI Mobility Radeon HD4330 (R620) or Intel GMA 4500M (R519), expect superior graphics performance on your multimedia applications and gaming.

**High-Definition (HD) LCD Display**  
A 16-inch wide LCD display (15.6" on R519) lets you watch full-screen HD movies and videos in a clearer, brighter and more comfortable 16:9 aspect ratio, 1366 x 768 resolution display.

**Samsung Noise Reduction System**  
Ideal for total peace and quiet, while you work. The Samsung Noise Reduction System absorbs noises from the hard disk drive vibration, and a new cooling fan significantly reduces the fan noise and rotation speed.
